

PM Academy Consulting Services successfully implements programmes and projects on behalf of our international and South Africa clients. Our consulting has, over the past five years developed a set of products and services that has helped many organisations worldwide to achieve increased project success.

Our professional consultants are skilled with a variety of qualifications and certifications, including, PMP®, PRINCE2®, MSP®, MoP®, OBASHI®, Earned Value and AgilePM®. Depending on the methodology employed by the client, we can deliver on programmes and projects according to methodologies based on the (Project Management Institute's A Guide to the Project Management Body of Knowledge) PMBOK® Guide, Axelos office's PRINCE2® and AgilePM®.

Our independent implementation methodology approach is also tailored to suit the unique requirement of the client.

We engage our clients at any point through the programme life cycle.
